## The Arc is Looking for a Few, Good Turkeys

The Arc Lane County is starting to prepare for the upcoming holiday season! We will provide holiday meals to families experiencing food insecurity or financial hardship. The Arc is accepting turkey and ham donations to help local families.

A few grocery stores offer a free turkey when \$150 or more is spent at their store. If you do not have refrigerator space for an extra turkey or ham, please consider donating it to The Arc Lane County.

To donate a turkey or ham, or to make a monetary donation to help provide holiday meals to local families, contact [Laura](#).
