MERRY & BRIGHT

Holidays

Please help The Arc Lane County make the holidays merry & bright for local families raising children with disabilities and who are struggling financially.

We need businesses to host a toy collection bin to help The Arc gather toys for children and teens.

The Arc is also accepting turkey donations to supplement the holiday food boxes that will be given to families. Turkeys may be delivered to The Arc's main office at 4181 E Street in Springfield, starting in November.

If your company can help The Arc Lane County with its Toy & Turkey Drive, please email **Laura** or call 541-343-5256 ext. 113. Thank you in advance for helping make the holidays merry and bright for local families!
