

# Staycation Around The World!

families  
connected

**Are your kids bored? Are they complaining there is nothing to do?**

The Arc Lane County & Families Connected have your **TICKET!**

Please join us this summer and participate in our new program, **Staycation Around the World!**

We will deliver a super, special activity box every Wednesday for six weeks. Each week your child will get to explore a new country.

**What's inside the box you ask?**

Each box will contain all of the supplies needed to do the activities. There will be a minimum of 5 hands on projects with instructions, including, but not limited to, crafts, music, dance, culture, food, inventions and printed activities like coloring pages and mazes. We can include additional kits for certain projects for your child's siblings. The program will run for six weeks beginning the week of July 8th. **Boxes will be delivered each week to the address of your choosing.**

The first week of the program, you will receive an initial box that contains reusable supplies like crayons, glue, measuring cups and more! The countries your child will be visiting are Peru, Ireland, Italy, Egypt, Japan and India. The kits thereafter will contain supplies and directions to complete that specific week's activities.

There are a limited number of spots available, so get your registration in ASAP.

Please return the bottom part of this flyer to Nancy Berge, or you can email your response to her at [nancy.berge@arclane.org](mailto:nancy.berge@arclane.org)
