

EMPLOYMENT PATH WORKFORCE READINESS CLASSES

A combination of in-person & virtual classes starting soon!

The Employment PATH program is designed to help people take their first steps in exploring potential job opportunities.

Participants will learn transferable work skills through focused skill-building classes and gain experience by volunteering at local nonprofit organizations. The goal is to expose participants to different opportunities, so they gain experience and learn skills to help them be a valued employee.

The Workforce Readiness Class with focus on the following topics:

- Employment Applications
- Resumes
- Job searches
- Interviewing
- Professionalism
- Strength Identification
- Effective Communication
- Interest Development
- Career Exploration
- Food Safety
- Job Shadowing
- Internet Safety
- Financial Literacy
- Self-Advocacy
