- Enhance computer and technology skills
- Access training and coaching to help you succeed

STEP INTO AN EXCITING FUTURE

The Summer Work Program is a comprehensive program for young adults who want to enter the workforce.

This dynamic, six-week program teaches workforce readiness via hands-on, classroom learning and provides real-life, work experiences through community-based internships.

The program includes an assessment of the participant's strengths, interests and abilities.

Supportive, one-on-one coaching throughout the program helps ensure participants meet their goals and have more successful employment outcomes.
